Tom:

Welcome back! I hope your trip to Spain was nice and we have good news about the Hopewell Consent Decree. I've received all approvals on my end, and am transmitting the packet to Rob McIntosh in the US Attorney's Office for the Eastern District of Virginia this afternoon. Rob's office will likely be lodging next week. There is one small administrative matter that we need to tie up – Eastern District of VA requires local counsel to sign the Decree. I'm assuming that you're admitted to the Eastern District. So, I've prepared a signature page for you and it will tack on to the end of the CD as page 57. I'm leaving it in Word format in case you need to make any changes to the signature block such as adding your VA Bar Number.

Once you've had a chance to sign, if you would send an electronic copy to Rob who is cc'd on this email. Please let me know if you or Nelson have any questions or concerns.

Thanks, Tom.

Kate
